 RKB electronic AG	Project inquiry date In-house project nr.	FM-07-27
		Status:15-02/19
		page 1 from 3

1. General project information:

Date of inquiry*:

Project name*:

Your project number:

Address*:

Target price:

Sheduled start of production*:

Planned quantity per year*:

*Required fields

2. Project outline / Application:

 RKB electronic AG	Project inquiry date In-house project nr.	FM-07-27
		Status:15-02/19
		Page 2 from 3

3. Technical specification of the battery pack:

; YbYU`m	
Cell technology*	Li-Ion LiFePO4 NiMH NiCd
Cell type	
Configuration*	Serial Parallel
Capacity (Ah)	Ah
Size limit* (mm)	L= mm x W= mm x H= mm
Max. weight (g)	g
Connection cable*	no yes, length:
Plug*	no yes, type:
7 \ UF[]b[
Battery charger available	no yes
End-of-charge voltage	V
Charging current*	A
8]gW UF[]b[
Nominal discharge current* (A)	A period of I _{max} .
Max. discharge current*	A
5 XX]hcbU`cdhcb / BMS Zunktion	
Battery casing -> end of page 3	no yes

4. Technical information of the battery management system:

BMS requested?	no	yes
Balancing-function	no	yes
Capacity display / LED	no	yes, number of LED`s:
Communication	no	yes, bus:

5. Further aspects:
